

New hire/position of researcher/analyst

Asia Asset Management is looking to hire a fresh graduate for its office in Kuala Lumpur.

The successful candidate should have a basic knowledge of finance and/or economics.

A good command of the English language is required, both oral and written.

Job duties:

- Assist in collecting data on pensions
- Assist in maintaining the database including database of contacts
- Providing research support to in house writers
- Support the company's social media initiatives

The successful candidate will have opportunities to travel in the region as part of his/her duties and responsibilities.

AAM is Asia's oldest journal on asset management and investments and was established in Hong Kong in 1995.

Please send full resume to jobs@asiaasset.com by Wednesday, October 31 2018. Only short-listed candidates will be contacted for an interview.
